This purchase order is an offer by the company identified on the face of this purchase order (the "Buyer") for the purchase of the goods (the "Goods") or services (the "Services") specified, from the party to whom the purchase order is addressed (the "Seller") in accordance with and subject to these terms and conditions (the "Terms"; together with the terms and conditions on the face of the

purchase order, the "Order"). This Order will be deemed accepted by the Seller upon the first of the following to occur: (a) Seller making, signing, or delivering to Buyer any letter, form, or other writing or instrument acknowledging acceptance; (b) any performance by Seller under the Order; or (c) the passage of ten (10) days after Seller's receipt of the Order without written notice to Buyer that Seller does not accept. This Order, together with any documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the Order and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, with respect to the subject matter of the Order, unless a separate overriding written contract has been entered into and signed by the parties. The Order expressly limits Seller's acceptance to the Terms of the Order. These Terms expressly exclude any of Seller's terms and conditions of sale or any other document issued by Seller in connection with this Order.

2. Cumulative Remedies

The rights and remedies under any Order are cumulative and are in addition to any other rights and remedies available at law or in equity or otherwise. If Seller is in breach of the warranties set out in Section entitled "Warranties", Seller will, at its sole cost, replace or repair the Goods or re-perform Services to Buyer's satisfaction.

3. Services

Any Seller that may perform Services represents itself as qualified and able to perform. Seller shall perform Services pursuant to the industry standard of care. Buyer will furnish materials, equipment and machinery only if and to the extent set forth in the Order. Seller will report immediately to Buyer any event or circumstance which Seller knows or reasonably suspects is, or results from, a violation of Buyer's policies or law set forth herein. Seller will, at its sole cost and expense, repair or replace any real or personal property belonging to Buyer that Seller, its employees or agents may damage, destroy or remove while performing or result from performing this Order.

4. Change Order

Buyer may, from time to time, initiate changes by issuing to Seller written notices (each, a "Change Order") that alter, add to, or deduct from the Goods or Services, but that are otherwise subject to the Terms of this Order. Seller will promptly comply with the terms of any Change Order.

5. Overproduction

In the event that Seller over produces the Goods described in this Agreement, Seller shall notify Buyer of the overproduction and identify the type and quantity of Goods overproduced. Seller shall at its own cost and expense, retain said overproduction in merchantable condition for a period of at least 90 days and may apply said overproduction, with written consent of Buyer, to fulfill future orders from Buyer. After the elapse of 90 days, any unused overproduction shall be promptly destroyed, at Seller's cost and expense, in a manner approved by Buyer. Verification of destruction shall be sent to Buyer within 7 business days of said destruction. Under no circumstance shall Buyer be obligated to accept or purchase any overproduction from Seller.

6. Delivery

Seller shall deliver the Goods and/or perform the Services at the delivery point (the "Delivery Location"), and on the date(s) specified in this Order (the "Delivery Date"). If no delivery date is specified, Seller shall deliver in full within a reasonable time of receipt of the Order. Timely delivery is of the essence. If Seller fails to deliver the Goods or Services in full, on the Delivery Date, Buyer may terminate the Order immediately and Seller shall indemnify Buyer against any losses, damages, and reasonable costs and expenses attributable to Seller's failure to deliver.

7. Shipping Terms

Delivery shall be made in accordance with the Terms of this Order. The Order number must appear on all documents pertaining to the Order, invoices, packing lists, correspondence, and all shipping documents. Seller shall not substitute material or ship more than the quantity ordered. Supplier shall be solely responsible for and pay, all costs of delivering the Goods to the Delivery Location, including, without limitation, all shipping and freight costs and all duties, fees, tariffs or

similar analogous taxes on imports/exports of the Goods ("Customs Duties"). Supplier will take all reasonable steps to minimize Customs Duties costs.

8. Title and Risk of Loss

Unless otherwise specified in the Order, risk of loss of the Goods remains with Seller and title will not pass to Buyer until the Goods are delivered to and accepted by Buyer at the Delivery Location.

9. Inspection

Buyer reserves the right to inspect the Goods on or after the Delivery Date. Buyer, at its sole option, may reject all or any portion of the Goods if it determines the Goods are defective or nonconforming. Seller shall destroy all defective or nonconforming Goods and provide Buyer with proof of said destruction. If Buyer requires replacement of the Goods, pursuant to the Section entitled "Cumulative Remedies", Seller shall promptly replace the nonconforming Goods. If Seller fails to timely deliver replacement Goods, Buyer may replace them with goods from a third party and charge Seller the cost thereof and terminate this Order for cause pursuant to the Section entitled "Termination". Any inspection or other action by Buyer under this Section shall not affect Seller's obligations under the Order, and Buyer shall have the right to further inspection after Seller takes remedial action.

10. Price and Payment

The price of the Goods or Services is the price stated on the face of this Order (the "Price"). Seller shall invoice Buyer for the Order within thirty (30) days of delivery. Unless otherwise stated in the Order, Buyer shall pay all properly invoiced amounts due to Seller within sixty (60) days after receipt of such invoice, except for any amounts disputed by Buyer. The parties shall seek to resolve all such disputes expeditiously and in good faith. Seller shall continue performing its obligations under the Order notwithstanding any such dispute. Without prejudice to any other right or remedy, Buyer reserves the right to set off any amount owing to it by Seller against any amount payable by Buyer to Seller. Payment of an invoice is not evidence or admission that the Goods or Services meet the requirements of the Order.

11. Taxes

Unless specified otherwise on the face of the Order, the prices are inclusive of, and Seller shall be solely responsible for and pay, all federal, state, and local taxes, including, but not limited to, value added tax, goods and services tax, sales, use or consumption tax. No sales or use tax shall be added when a valid tax exemption is indicated on the face of this Order by the Buyer.

12. Mould(s) and Tooling

Any mould(s) and/or tooling supplied to Seller or purchased by Seller on Buyer's behalf in furtherance of Seller's performance of this Order are the property of Buyer and ownership of said mould(s) and/or tooling remains with Buyer. Nothing contained herein shall be construed to create an ownership, lien, or any other type of interest in said mould(s) and/or tooling. Said mould(s) and/or tooling shall be stored, used, and maintained according to industry standards to prevent degradation of the mold(s) due to oxidation, rust, dirt, or other preventable damage. Said mould(s) and/or tooling shall be setup and used only as prescribed for that specific mold(s) and shall be setup, used, and maintained only by trained persons. Buyer may at any time enter Seller's premises to remove said mould(s) and/or tooling. Seller expressly agrees to grant Seller permission to enter its premises for said purpose of removing said mould(s) and/or tooling.

13. Supplied Materials

Where Buyer supplies materials for use in the production of the Goods or Services, Seller shall be solely responsible for any loss of materials resulting from the manufacture said Good or Services. Buyer shall at its own discretion either deduct the value of the materials from any amounts owed to Seller or require Seller to compensate Buyer for said materials. In no event shall this right limit any other rights available to Buyer in the event of Seller's failure to perform under the terms of this Agreement.

14. Hazardous Wastes

If at any time Seller generates any hazardous waste(s) on Buyer's property or site, as defined in the United States Code of Federal Regulations 40 C.F.R. §261.3, Seller will immediately notify Buyer and Seller will comply with Buyer's policies and practices, and any applicable law, regarding management of hazardous wastes.

15. Termination

Buyer may terminate this Order, in whole or in part, for any reason upon thirty (30) days' prior written notice to Seller. In addition to any remedies provided herein, Buyer may terminate this Order with immediate effect, either before or after acceptance of Goods or Services, if Seller has breached any of the Terms herein. If the Seller becomes insolvent, commences or has commenced by it or against it bankruptcy proceedings, receivership, reorganization or assignment for the benefit of creditors, then the Buyer may terminate this Order. If Buyer terminates the Order for any reason, Seller's sole and exclusive remedy is payment for the Goods or Services received and accepted by Buyer prior to the termination.

Seller warrants to Buyer that for a period of thirty (30) months from the Delivery Date, all Goods, Services or Goods furnished in connection with Services will: (a) be new and free from any defects in workmanship, material and design; (b) conform to applicable specifications; (c) be fit for their intended purpose and operate as intended; (d) be free and clear of all liens, security interests or other encumbrances; and (e) not infringe or misappropriate any third party's intellectual property rights. These warranties survive any delivery, inspection, acceptance or payment. These warranties are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Buyer's discovery of the noncompliance. If Buyer gives Seller notice of noncompliance, Seller shall, at its own cost and expense, promptly replace or repair the nonconforming Goods or Services.
